

build_py

```
graph BT; A[pymavlink.setup.custom_build_py] --> B[build_py]
```

A diagram showing a call to the `build_py` method. A box at the top contains the text `build_py`. A box at the bottom contains the text `pymavlink.setup.custom_build_py`. A vertical arrow points from the bottom box to the top box, indicating that `pymavlink.setup.custom_build_py` calls `build_py`.
